Experience the arts throughout West Virginia's Eastern Panhandle

The Arts Centre fosters creative awareness throughout the community and provides one-of-a-kind opportunities for children and adults alike. Our primary mission is to provide the highest quality artistic programs for all. Each day we recognize that the arts are a vital part of all of our lives. The Arts Centre ensures that programs and opportunities in the arts are readily available to our community.

Each year hundreds of students expand their insight and explore creative expression as they participate in our highly regarded educational programs. Hundreds of children participate in the *Young Artists Summer Workshops* each year. After-school programs and weekend classes host a variety of young people and adults exploring a diversity of creative topics. The Arts Centre has been providing these opportunities throughout the community for 20 years, and this year will be no different.

Supporting the Arts and the Artisan

The Arts Centre strives to be a voice for the creative community. In addition to our top-notch educational offerings, there are numerous events and outreach programs for the working creative community of the Eastern Panhandle. Regional artists and educators are active throughout our curriculum. A visit to our building (formerly the Old Federal Court House & Post Office) reveals a flurry of activity and creativity every day—stop in and experience the arts first hand.

We need you!

Providing exceptional programs and presenting artistic events & workshops requires the time and efforts of many committed professionals and patrons. The Arts Centre relies on the participation and the generosity of committed members like you. We welcome the insight, involvement and participation of everyone and hope that you will come and share your special contributions with us.

This is the year

The 2007/08 Arts Centre calendar of events and happenings is chocked full of artistic experiences as well as social opportunities for everyone. Make this the year that you become an active and generous supporter of your creative community.
